About the Challenge

The North Texas Community Cleanup Challenge is a friendly competition among North Texas communities to see who can pick up the most litter per resident. Communities, churches, boy scouts, girl scouts, companies, activists, or just ordinary citizens can organize litter cleanup events in their communities or simply log existing events and efforts as they occur. At the end of the contest, the community with the most litter cleaned up per resident will receive the North Texas Community Cleanup Challenge award that they can proudly display in their city hall. Each year the trophy will move from community to community, each adding their name to the legacy of litter cleanup efforts.

Four Easy Steps to Get Involved
